Dear Beverly,

On behalf of the Salvation Army Adult Rehabilitation Center Advisory Council and staff, I want to thank you and the Corian Company for organizing your terrific Clothing Drive! The response from your staff was so enthusiastic, and we appreciate everyone's help!

The clothing will be recycled in our Salvation Army Family Thrift Stores, and the stores support the important and difficult work being accomplished at the Adult Rehabilitation Center, helping adults from throughout Worcester and much of Middlesex County in their struggle to overcome substance abuse.

All of us associated with the Salvation Army Adult Rehabilitation Center truly appreciate your help and the company's support! Please extend our thanks to everyone there!

Have a blessed day.

Matt LaBarre, Donations Coordinator  
Advisory Council
